Without nonstop development and progress, such words as progress, accomplishment, and achievement have no importance. Established by Prof. Dr. Corneliu Amariei (Constanta, Romania) still diary of Orthodontics and Endodontics is developing ceaselessly. It is our pleasure to report that during year 2020, all issues of volume 06 were distributed online on schedule and the print issues were likewise brought out and dispatched inside 30 days of distributing the issue on the web.

All distributed articles of this diary are remembered for the ordering and abstracting inclusion of Record Copernicus, Google Researcher, Worldwide Effect Factor (GIF), CiteFactor, Electronic Diaries Library, RefSeek, Global panel of clinical diaries editors (ICMJE), Hamdard College, EBSCO A-Z, Virtual Library of Science (vifabio), Studies getting subsidizing from a financing association that is remembered for the rundown of PMC and Exploration Funder Arrangements or writers having NIH award were submitted to (PubMed NLM ID: 101568098). . Normal distribution slack season of an article was additionally diminished to 2-3 weeks.

Anyway the diary will be running its unique site IPJOE equal for Publication and survey work measure in order to keep up its best quality of logical work. Expanded Readership Measurements (By Google Examination) of Diary of Orthodontics and Endodontics which can be gotten to at Google Investigation Measurements for IPJOE.

I accept this open door to recognize the commitment of
