We call for submission of Abstracts in the sectors of dentistry, dental Pharmacology, odontology, orthodontics, oral and maxillofacial surgery, oral microbiology and pathology, gerodontology and periodontology, endodontics and hypnodontics, diagnosis and prevention of oral diseases, prosthodontics, dental instruments and dental marketing, dental nursing, dental Research etc.

Hilaris Conferences Learning is a never-ending process. We at Hilaris Conferences will provide a unique platform for the learners, researchers, policymakers, and innovators to network and share knowledge. Hilaris Conferences will act as a bridge between the Academia & Industry to fill the knowledge gap and inspire young minds through its unique learning opportunities. Hilaris Conference will offer a huge opportunity to share creative ideas, and promote the collaborative research environment through its specially designed networking sessions for a challenging future. Hilaris Meetings will establish a strong base for researchers and learners in the journey of their lifelong quest for knowledge.

The conference has been carefully designed to acknowledge the various recent researches going on in the field of **dentistry**. In addition to the paper presentations, the conference will provide its attendees to attend sessions of presentations and debates, workshops and symposiums as well as poster presentations. This conference on dental and **oral health** will deal with various tracks from the different fields of dentistry. The congress provides you with a unique opportunity to meet up with peers from both industry and academia. We cordially invite all concerned people to come and join us at our event and make it a successful one by your esteem participation.
